How to Use Good Morning Texts: 10 Steps

There are specific ways to use long good morning messages for her.

Here's how you should do it;

- Get her number.
- Text her frequently but not every day.
- Build a texting relationship.
- Don't text her a good morning message right away.
- Get to know her.
- Text her during the night when she might fall asleep while texting you.
- If that happens, select the text which is appropriate and send it the next day.
- Wait a few days before doing it again.

- Don't start doing this every day; build up to it.
- Once you've established a good texting relationship, text her good morning almost every day.

In conclusion...

Charm her and make your way into her heart the way she prefers.

Be it simple good morning texts, or those that are aimed to start a conversation or to ask her out.

Or even the ones that are purely romantic or a bit on the flirty side, or messages that try to extract some reply from her, you get it all here.

Just make your pick and woo your girl!
