

Are you looking for the best friend tag [questions to ask](#) your friends?

Then, you are in the right place!

“Best friends don’t necessarily have to talk every day. They don’t even need to talk for weeks. But when they do, it’s like they never stopped talking”.

This is a really awesome quote, and you can really feel the depth of this quote if you have that little bunch of special close and best friends forever in your life.

Friends make life seem very easy and exciting.

We always think that we are very close to our friends and know them inside and out, but not everyone is the same.

And even if you think that you know everything about your friends still, there will be some things that you don’t also have a clue as they really existed or matter to your friends.

So for the sake of getting to know each other well or to make the evening with your friends more exciting, here are some interesting best friend tag questions you can ask them.

You can tag your best friends and examine the depth of knowledge their share.

These best friend tag questions are not in any way a measurement of scaling the friendship or the bond you share with your friend, but this is just a way to tag your best friend and know more about each other.

So let's get started.

Shall we?

27 Extremely Good Friend Tag Questions

So here we go with the best friend tag questions to ask friends.

1) How did we meet?

Do you remember the first time you met your best friends?

The first meeting is always special.

So use this best friend tag to know them better.

Maybe in the very first meeting, you didn't hit the same chord, and that was not so special for you.

But still, that was the very day when you met your friend for the very first time.

So, just let them answer this [question](#) and see if they can remember that first meeting.

2) What is your favorite color?

This is one of the questions that will help you discern how much your friend know you.

And when they suggest something to buy or try, do they keep your favorite color in mind or not?

So start tagging your friend on this best friends tag.

3) Which star do you adore?

Wow, yes, that is something that a best friend ought to know.

But it might be a little tricky if you adore too many stars.

But honestly, only your best friend can answer this correctly

4) Who was your first crush?

Well, this is a very private and personal question, and a best friend is the only one who must have almost all the knowledge about it.

So tag your best friend and know how much they care about your personal affairs.

5) How did we turn into best friends?

So, you might have been friends for a long time, but getting into the best friend zone took its own time.

So, with this question, you and your friends can remember that particular time when you became best of friends.

6) Where is your dream destination

Everyone has their dream destination where they'd like to take the vacations of their life or spend the rest of their lives.

So get the knowledge of how much your best friend knows about your dream destination.

If you have the same dream destination, you might plan and visit there together.

So exciting.

You must be now eating, shopping and going out together, but do you remember the first movie you watched with your best friend.

You must have watched a number of movies with your friends, but the first one is always classic and special.

So this question will help you determine how much you guys remember about each other.

12) What is your dream job?

Life is not all just hanging around and having fun.

Everyone thinks of a dream job - be it being a doctor, engineer, politician, media person, actor, etc.

So, your friend who knows you inside and out should be aware of the dream job concept of yours.

13) What is your dream car?

Friends are the people we can discuss any silly thing or can share any dream we have without being afraid of getting judged.

My friends already know that I want to buy an Audi car for sure.

But just by this tag, your friends will know which is your dream car.

Maybe some of them may become rich one day and gift you one :-).

14) What do you hate to eat?

So, as I told you that I know what the favorite food of my friend is and I know that she will order it if it is available on the menu, of course.

But how about the food that you dislike, does your best friend ever care to know about that food?

Just go ahead and tag your best friend to know the answer.

This is surely a great question to ask your best friends.

15) Who are the people you don't like?

There are so many people in our life at every stage.

Some we avoid, others we can't.

But best friends always know the people you can't stand.

This is one of the excellent questions to ask your friends, and by answering this, your friends will show that they know what kind of people you like and dislike.

16) What are the things I can't part ways with?

There are a few things in everyone's life which we never want to part ways with.

Some have their materialistic values, and the others are emotional.

A true friend will always know the things that are inseparable in your life.

So this again is very good of the best friend tag questions to ask your friends.

17) What our favorite hangout joint?

So, as you guys love to hang out together, there might be one or a few hangout joints that you cherish the most.

So just let your friend guess which is the best place you like to be with them.

A true friend would give you the correct answer.

18) Describe your friend in three words?

This is an amazing best friend tag question.

Your friend knows you best from all the people around you.

So just let them describe you in three words.

This question can get really funny and interesting answers and you will get to know what your friends think of you.

19) What phobias do you have?

Everyone is afraid of something.

You also do enjoy music with your friends.

So, this question will let them show how much they know about the music genre of your life and it will be great if you share the same favorite music.

22) What's your favorite clothing?

So, it's an outing, and you got the suggestion to wear a blouse and skirt, but you want to go for that beautiful dress of yours.

This means that your heart is more inclined towards that style dressing, check out if your best friend knows what your heart wants.

It can be quite tricky sometimes, but it almost always brings great results.

23) What are the favorite things to do together?

We all love to spend time together with our friends and want to do a number of things together.

You might love to shop, eat, dance, read, party, cook and do a lot of things together.

But there must be one thing you just love to do with your friend and you can't see yourself enjoying that much as you do with your friends.

So just check if this is the same thing that you both adore.

24) What is the one thing that annoys you about me?

Well, this is one of the best friend tag questions.

Friends accept us for who we are.

They love the good and bad in us.

But there must be a few things which seriously annoys them to the extent that they want you to mend your ways and take on a new look.

This question will help you know that thing and by working on that aspect of your personality, you can strengthen your friendship the more.

25) What is the weirdest thing about me?

We all do little things which others tag as weird.

We mostly do weirder things with our friends as we don't have to behave our best when we are with our them.

So, just find out what your friend thinks about the weirdest thing you have done when you're with them.

26) What's your hidden talent?

You might be a great bathroom singer, or a great dancer, poet, actor, painter there can be.

It's very possible that you possess a hidden talent you are so shy to show to the world.

But your best friends know you inside out.

So, let's check with this best tag question if they know this hidden talent of yours or not.

27) What you will do if you come to know I'll die tomorrow

This question is a bit of a sadistic kind.

But it will give you an insight into what your friends would feel if they give a thought of losing you forever.

Just ask them to take it sportingly and answer their heart out.

And that was it!

Hope you enjoyed these best friend tag questions to ask your friends and I know you might have jotted one or two or even more down.

Remember, these tag questions are not any measurement of your friendship or so; these are just to know how much you know each other.

Tag your best friend and the one who scores less have to be punished by doing any odd job, or they will be made liable to take you out for dinner.

So get started TODAY and know your best friends well!
